Notice: This event is conducted in accordance with PhRMA Code on Interaction with Healthcare Professionals and is limited to invited healthcare professionals. Attendance by guests or spouse is not appropriate. Government employees are subject to state and federal laws and ethics rules that may limit your ability to receive any gifts, including meals, from pharmaceutical companies. If you are a state or federal employee, it is your responsibility to seek guidance and prior approval from your employer or site ethics counselor to attend this or any Pfizer event.

State Laws: Certain state laws restrict or limit what Pfizer can provide to you – for instance meals and refreshments at this event. If you are licensed to practice in or from MA or VT please check with AHM at 800-800-4637 regarding specific restrictions which Pfizer is legally obligated to enforce. For Minnesota, this program is open only to non-prescribing healthcare professionals who are not practitioners, as defined in Minnesota Statute § 151.01(23).

Disclosure by Pfizer: The cost of the meal or refreshment provided at this event may be subject to public disclosure as part of Pfizer's Healthcare Professional Disclosure policies and also pursuant to your state law. These disclosures may include your name, nature and purpose of your attendance and the value of the meal that you received.
